**Re: Notification of Temporary Discontinuance of Operations
KLGG(FM), Grants, New Mexico (FIN: 83874)**

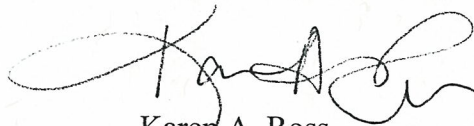

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM radio station KLGG(FM), Grants, New Mexico, and pursuant to Section 73.561 of the Commission's rules, this letter is to notify the Commission that KLGG has in fact been silent since March 10, 2010.

On March 22, 2010, EMF notified the Commission, in error, that KLGG is operating at reduced power. In fact, the station temporarily discontinued operations on that date due to what EMF believes to be a damaged antenna. EMF has been unable to access the tower site as yet due to inclement weather. EMF is now working diligently to access the site to make the necessary repairs. If EMF is unable to return KLGG to full power operations within 30 days, EMF will apply for special temporary authority to allow KLGG to continue to remain silent, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Karen A. Ross
